1. Dartboard (5: I fully agree – 1: I fully disagree)

The policy cycle model gives me an idea how to take part in politics.

I understood the policy cycle model and could use it.

I enjoy working with other students.

Co-operating with other students

We have a constructive working atmosphere in our class.

The teacher lets us express our opinions freely.

The teacher explains things clearly.

We have time for our tasks and our discussions.

Methods and lesson planning

I learn well when we receive tasks that we deal with on our own.

2. My personal feedback

2.1 The most important and interesting thing/s that I have learnt:
